# DEDICATION

We, the Class of 1991, have chosen to dedicate our Yearbook to the person we feel has been the most influential and helpful to us during our years at Woburn High.

This person has been involved with our class in many varied educational and extra-curricular activities. The enthusiasm and integrity demonstrated by him has helped to convey to us the value of our high school experience. His optimism, good humor, and leadership have added greatly to the benefits we have received at Woburn High.

With sincere thanks, we dedicate the 1991 INNITOU to:

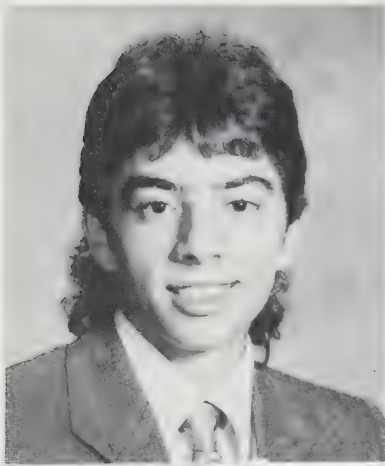

Mr. William McGrath

“There’s no excuse  
for what happened in  
the locker room.”

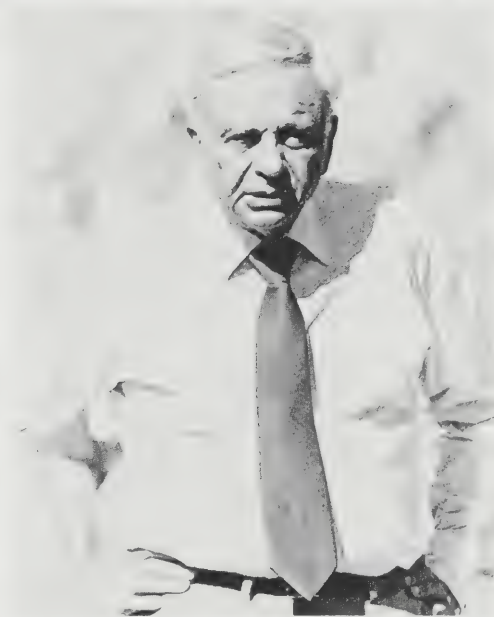

*Victor Kiam*

I am appalled by what reportedly happened on September 17th to Lisa Olson in the New England Patriots’ locker room. Male chauvinism, gross behavior of any sort...I detest. Rape—physical, mental, threatened, hinted at or joked about—is something I will not stand for.

The NFL is conducting a full investigation of this incident and I support that 100%. Please remember, the New England Patriots’ team and organization are comprised of many outstanding individuals.

“I apologize for  
what I said.”

Members of the weight crew included Dave McInnes, Matt Parsons, and Tom Gouthro. The sprinters were motivated by the work of Joe Gaurraccino, David Walsh, and Jason Comiero. Great leaping ability was shown by Mark Connolly and Noel McDermottroe in the high jump. The Tanners ended their season with a respectable 7-2 record in the middlesex league. Surprises this year came from juniors Cory Canada and Brian Kearney, who demonstrated their skills in the sprinting events.

This year turned out to be a disappointing one for the Tanners. After winning the first two games of the season, bad luck and injuries contributed to several close losses in games played against league contenders. The record certainly does not indicate the enthusiasm and good play displayed by the team. Coach MacFarland hopes the experience gained by the Tanners this year will put the team back in contention next season. Senior members of the team included: Captain Glenn Grammer, Doug Claflin, Kevin Curll, Matt Zagata, and Peter White.

# SUPERINTENDENT — ADMINISTRATION

To the Graduates of the Class of 1991,

The year 1991 has been a most difficult one for many as the Persian Gulf War has been the major news for the print and electronic media. Many students have had relatives or friends involved in this conflict. Despite this war and the problems in this world, I invite you to have a positive vision, a positive vision of yourself and a positive vision of your future success.

Abraham Lincoln once commented, "Most folks are about as happy as they make up their minds to be." I ask that you also apply President Lincoln's statement to that of a positive vision for your own immediate and long-range future.

In Viktor Frankl's "Man's Search for Meaning," he states, "It is a peculiarity of man that he or she can only live by looking to the future; and this is his salvation in even the most difficult moments of his or her existence."

As graduates in the Class of 1991, I ask you to use your time well and develop a determination towards happiness and a positive vision about your future which should include for each of you a contribution to your nation, state, community, and most importantly your family.

Sincerely,

Paul J. Andrews  
Superintendent of Schools

# PRINCIPAL

CONGRATULATIONS AND BEST WISHES TO THE MEMBERS OF THE CLASS OF 1991.

THE YEAR OF YOUR GRADUATION HAS BEEN MARKED BY A RESURGENCE IN THE PRIDE OF OUR NATION AT HOME AND AN INCREASE OF PRESTIGE ABROAD.

THE PERSIAN GULF WAR HAS REAFFIRMED OUR BELIEF IN THE HIGH QUALITY OF AMERICAN TECHNOLOGY, RESTORED CONFIDENCE IN THE YOUNG PEOPLE OF OUR NATION AS THEY SO VALIANTLY SERVED THEIR COUNTRY, AND INSPIRED A FEELING OF LOYALTY AND NATIONAL PATRIOTISM TO ALL AMERICANS.

I AM CONFIDENT THAT YOU, THE FUTURE OF THIS COUNTRY, APPRECIATE THE SACRIFICE MADE ON YOUR BEHALF BY THE GENERATIONS OF THE PAST AND WILL PERSEVERE IN YOUR ENDEAVORS TO INSURE THE CONTINUED GROWTH AND IMPROVEMENT OF OUR GREAT NATION FOR THOSE WHO FOLLOW IN YOUR FOOTSTEPS.

# A TRIBUTE

During balloting for the Yearbook dedication, many votes were cast for the U.S. Armed Forces. Although they did not receive enough votes to win the dedication, it was felt that a special tribute was in order.

Therefore, the Class of 1991 would like to dedicate this special page to:

The men and women who served  
in the Persian Gulf

'Tis sad to think, that when our course is run,  
Inherited our work may be by one  
Who, caring not for pedigrees a jot,  
May sell to the local butter man the lot.  
He to wrap butter, candles, cheese, doth take  
Each priceless sheet,  
Which perhaps took years to make.  
Then greasy, crumpled, torn, our work at last  
In fire or dustbin, ruthlessly is cast.
